***The Mission of GA Hands & Voices:** GA Hands and Voices is dedicated to supporting families with children who are Deaf or Hard of Hearing **without a bias** around communication modes or methodology. We're a statewide parent-driven, non-profit organization providing families with the resources, networks, and information they need to improve communication access and educational outcomes for their children. Our outreach activities, parent/professional collaboration, and advocacy efforts are focused on enabling Deaf and Hard-of-Hearing children to reach their **highest potential**.*
